the suggestion of the Treasury Depart-ment, postponing the payment to the of liberty which they bequeathed us? that he may do, binding upon me. States, of the fourth instalment of the encolus, until the 1st January, 1839 .-That day has gone by, and no subsequent known that ladies who are in the habit art having passed prolonging the period of tight lacing are troubled with terrible he State Treasurer, should at any rate receed to Washington, and make the mand, with instructions to indulge Mr. Woodbury with further time, if he should s unable to meet the demand, upon the apress understanding, however, that increst should be paid up from the time was due.

A New Bank.

The following hit will do-it is a good PEOPLES BANK .- A bank with this title

is going into operation, with a capital of \$100,000,000, for a term of five million years, under the direction and manage ment of Roswell Saltonstall and John P Nazerro. The hundred millions already ubscribed are secured by mortgage on Augusta, the following property, which unques- CATHABINE, bonably renders the stock as good as that of a majority of the banks under the new law, to wit: twenty millions of Madison county at the ensuing election. acres of land on the Rocky mountains, purchased of the Blackfeet Indians; this tract lies on the Columbia river, within one hundred miles of the projected Oregen rail-road, and is covered with a beauful growth of granite, so much wanted in Illinois; ten millions of Texas land. land in the moon, as lately surveyed by Sir John Herschel, on this tract is a beautiful site for a city; fifty thousand farm lots eligibly situated, and a large portion of them town lots; add to this he right of Miss Vespucci to North America, assigned to the company. The patent rights of the above named gentlemen are also assigned to the company, which will always secure a metalic currency. They consist of

1. A method of condensing moonshine

molasses into pure gold. An agent will be immediately des-

patched to each government in Europe, o dispose of the stock. it is contemplated to purchase the city

Hall for a banking house, if the corporation will take the stock of the company as pay for it .- N. Y. Gaz.

The Mississippi Senator. A retrespection of the life and early history on the plat of said town of Canton, sold the now Hon. Henderson, is both pleasing as the property of Andrew E. Beatie, philosophers, whose writings cannot be too dien impressed upon the rising youth. "Let a man sit down at the foot of a high mountain,"

H. HAMBLIN.

by the secamulation of simple propositions. Drops of water constitute an ocean; sands make a mountain, and rocks are not worn away by sudden force, but by perpetual droppings."

To most of the citizens of Brookville, the same of John Henderson is not familiar, but these who resided here from 1815 to 1821, reciblect seeing over the door of a shop (now ocean; some of the Legislature. The Charter is liberal in its provisions. The factory of a science of the Legislature of the Legislature of the Legislature. The factory of a science of the Legislature of the Leg and the all. But his history is soon told; after other place within forty miles of Jackfollowing the shoemaking business in Brook.

The Commissioners confidently tille for six years but feeling some of those son. The Commissioners confidently high capacious powers which lie folded up in hope that all good Mississippians, as man," he abandoned his awl, went to school a few years in Cincinnati, studied law under the Hon. Bellamy Storer, went South, married a fich and influential heiress, and by the aid of perseverance, which subdues and overcomes all those who advocate and support Southern principles, will step forward and influential heiress, and by the aid of perseverance, which subdues and overcomes all those who advocate and support Southern principles, will step forward and influential heiress, and by the aid of perseverance, which subdues and overcomes all those who advocate and support Southern principles, will step forward and influential heiress. The following is from the Brookville, Indiana, American. In the main, it speaks truly and justly, but there is a spice of illnature in

inputations of "a restless, ambitious soul" to Mr. Henderson, that I do not like. The re-sult would imply that Mr. Henderson was stiTo Arms! To Arms!!
